Re : To inform of the policy of the procurement of Moderna vaccine

To : The Managing Director

The Stock Exchange of Thailand

In regards to the previous announcement on our website and via various media channels that Vibhavadi Medical Center (Public) Co., Ltd., had decided to discontinue the procurement of Moderna vaccine due to an indefinite date of the arrival of the vaccine; and that Vibhavadi Medical Center (Public) Co., Ltd. will inform of any progress should there be a more definite timeline.

Due to the approval of Moderna vaccine by the Thai Food and Drug Administration on May 13, 2021, the Company now has a more definite timeline of the importation of Moderna vaccine which should arrive by October 2021.

The Company, thus, would like to inform you that we will resume the procurement of Moderna vaccine and abide by the law, regulations, and policies of the government. As such, the Company will inform all persons concerned in due course all for the purpose of giving the public access to an alternative vaccine as soon as possible.

Sincerely yours,

(Phijit Wiriyamettakul)

Managing Director
